Dalziel High School

For N4 and N5's in S4. We have set classes in English and Maths and they are single level.

In all other curriculum areas we are more likely to have bi-level classes in S4.

In senior school all classes, with few exceptions, are single level:
Last year RMPS was bi-level

Occasionally a pupil who 'crashes' a subject may end up doing N5 this happened in PE, Business Management and Modern languages.

We have no tri or quad level classes.
